

TENS Machine Hire

Elle TENS Plus Machines are available from Jane Palmer Midwifery for short or long-term hire. The cost of hiring the Elle TENS Plus Machine is \$56 for four weeks, \$66 for six weeks, \$72 for eight weeks, and \$96 for twelve weeks.

Terms and conditions:

- Jane Palmer Midwifery supplies the customer with an Elle TENS Plus unit on the understanding that it will only be used by the person whose name appears on the booking form and is not transferable between individuals.
- It is the customer's responsibility to check the contents of the hire package upon receipt and familiarise themselves with the Elle TENS Plus machine and user instructions. The customer must advise Jane Palmer Midwifery of any problems whatsoever immediately after you receive it. Jane Palmer Midwifery accepts no responsibility where the customer fails to do so and renders Jane Palmer Midwifery unable to take any corrective actions.
- The customer will have discussed using a TENS machine with the midwife or doctor responsible for their pregnancy and birth care.
- The Elle TENS Plus unit will only be used according to the instructions provided. Jane Palmer Midwifery shall not be held responsible or liable for any injury or damage sustained due to misusing the Elle TENS Plus unit.
- The success of Elle TENS Plus is neither guaranteed nor implied. Non-use of a hired Elle TENS unit is entirely at the customer's discretion, and a refund is unavailable.
- The customer agrees to return the Elle TENS Plus unit to Jane Palmer Midwifery in the same condition it was received. You will be responsible for the replacement cost if any parts are lost or damaged. If cleaning is required, a \$30 fee will be charged.
- Jane Palmer Midwifery reserves the right to charge you a weekly fee of \$15 for exceeding the initial rental period without notice.
- By hiring an Elle TENS Plus unit from Jane Palmer Midwifery, you agree to release, indemnify, and hold harmless Jane Palmer Midwifery and all associated persons from all liability arising from or relating to the use of the TENS unit and associated equipment either hired or purchased from Jane Palmer Midwifery.
- Do not use TENS during the first 26 weeks of pregnancy or on the abdomen during pregnancy or when you are in labour. When using the Elle TENS, pads should NOT be placed anywhere other than the lower back, as pictured in the instructions. Do not immerse the Elle TENS unit in water. Dry skin before applying pads.

I agree to the terms and conditions of hire.
